TheraPEAK™ X-VIVO™-15 Formulation

To Whom It May Concern:

Lonza currently manufactures culture media, buffers, and reagents at both our Walkersville, MD, USA and Verviers, Belgium facilities.

The following products have the same formulation, however the production site and size differ. Separate part codes are used to ensure proper ordering.

Part Code	Description	Manufacturing Location	Packaging	Intended Use
BP04-744Q	TheraPEAK® X-VIVO® 15 with native human transferrin, without phenol red and gentamicin	Walkersville	1L bottle	For Further Manufacturing
BEBP04-744Q	TheraPEAK® X-VIVO® 15 with native human transferrin, without phenol red and gentamicin	Verviers	1L bottle	For Further Manufacturing
BP04-743Q	TheraPEAK® X-VIVO® 10 with native human transferrin, without phenol red and gentamicin	Walkersville	1L bottle	For Further Manufacturing
BEBP04-743Q	TheraPEAK® X-VIVO® 10 with native human transferrin, without phenol red and gentamicin	Verviers	1L bottle	For Further Manufacturing

BP02-054Q	TheraPEAK® X-VIVO® 15 with recombinant transferrin, without phenol red and gentamicin	Walkersville	1L bottle	For Further Manufacturing
BEBP02-054Q	TheraPEAK® X-VIVO® 15 with recombinant transferrin, without phenol red and gentamicin	Verviers	1L bottle	For Further Manufacturing
08-879H	TheraPEAK® X-VIVO® 15 with native human transferrin, without phenol red and gentamicin	Walkersville	5L bag	For Further Manufacturing
BE08-879H	TheraPEAK® X-VIVO® 15 with native human transferrin, without phenol red and gentamicin	Verviers	5L bag	For Further Manufacturing
08-879P1	TheraPEAK® X-VIVO® 15 with native human transferrin, without phenol red and gentamicin	Walkersville	1L bag	For Further Manufacturing
BE08-879P1	TheraPEAK® X-VIVO® 15 with native human transferrin, without phenol red and gentamicin	Verviers	1L bag	For Further Manufacturing
BP02-054P1	TheraPEAK® X-VIVO® 15 with recombinant transferrin, without phenol red and gentamicin	Walkersville	1L bag	For Further Manufacturing
BEBP02-054P1	TheraPEAK® X-VIVO® 15 with recombinant transferrin, without phenol red and gentamicin	Verviers	1L bag	For Further Manufacturing

Best Regards,

Thomas Colunga, Ph.D.
